

REMARKS

This amendment is in response to an Ex Parte Quayle Office Action in which all claims have been allowed. Applicant has addressed each of the informalities noted by the Examiner. In particular, the title of the application has been amended as required by the Examiner to be clearly indicative of the invention to which the claims are directed. In addition, Claims 24-42, 44, 45, 47-57 and 99-128 have all been amended herein as suggested by the Examiner.

Applicant has made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Ira S. Matsil, Applicant's attorney, at 972-732-1001 so that such issues may be resolved as expeditiously as possible. No fee is believed due in connection with this filing. However, should one be deemed due, the Commissioner is hereby authorized to charge Deposit Account No. 50-1065.

Respectfully submitted,

Ira S. Matsil
